This confirmation is valid until: **27.06.2023**

Christoph von Bismarck

This confirmation is property of the certification body and must be returned on request. To extend the valid duration, a new inspection has to be submitted, accomplished and accepted beforehand the termination of the affirmation.
Decisive for the eligibility of delivery for approved locations is exclusively the information given in the QS database. This is because deviations due to the contract date, blocking of companies or something similar could appear.
